Notice Inviting Expression of Interest (EOI)

For Grant Management of "International Travel Scheme (ITS) and Financial Assistance to Professional Bodies & Seminar/Symposia (SSY)" through a Project Management Unit (PMU)

EOI Reference No: ANRF/PMU/ITS-SSY/2026

Date of Issue: 6th October 2026

Last Date for Submission: 5th November 2026, 5:00 PM (extended from 27th October 2026)

1. Background

The Anusandhan National Research Foundation (ANRF), established through the ANRF Act, 2023, is the apex body providing strategic direction for research, innovation and entrepreneurship in India. ANRF intends to engage a suitable organization to set up and operate a Project Management Unit (PMU) for end-to-end grant management of two of its core capacity building schemes:

- International Travel Scheme (ITS): financial assistance to Indian researchers for presenting papers, chairing sessions or delivering keynote addresses at international scientific events, and support to young scientists for workshops and training programs abroad.
- Financial Assistance to Professional Bodies & Seminar/Symposia (SSY): Partial financial support for organizing national and international scientific conferences, workshops and related events.

Both schemes are high volume, application driven programs requiring rigorous screening, expert committee coordination, and disbursement through the Public Financial Management System (PFMS) / TSA Hybrid model.

2. Objective of this EOI

This EOI is the first stage of a two-stage selection process. Its objective is to identify and shortlist organizations that meet the minimum eligibility criteria set out below. Only organizations shortlisted at this stage will subsequently be invited to submit a detailed Request for Proposal (RFP) comprising technical and financial bids, to be evaluated through the Quality and Cost Based Selection (QCBS) method.

This document seeks only preliminary information for pre-qualification. Detailed scope of work, deliverables, evaluation criteria and contract terms will be provided in the RFP stage to shortlisted respondents.

3. Indicative Scope of the Assignment

The selected PMU will be responsible for the end-to-end lifecycle of both schemes, including but not limited to:

- Application receipt, screening and eligibility verification through the ANRF online portal
- Coordination of expert committee meetings, and preparation of agenda, minutes and recommendations
- Processing of claims, utilization certificates and statements of expenditure
- Disbursement support through PFMS / TSA Hybrid system
- Applicant support, query handling and grievance redressal
- Maintenance of audit ready records, and periodic and annual reporting to ANRF

A detailed scope of work for each scheme will form part of the RFP document issued to shortlisted respondents.

4. Eligibility Criteria for this EOI Stage

Interested organizations must meet the following minimum criteria. Supporting documents must be enclosed as indicated.

S. No.	Criteria	Supporting Document
1	The organization should have a minimum of 5 years of experience in providing Grant Management or Project Management Unit (PMU) services for government funded programs in India, with demonstrated administrative and financial management of grants.
