

Certificate from Principal Investigator

It is hereby certified that:

1. The proposed project has not been submitted elsewhere for financial support in the same form.
2. We undertake that the research facilities, knowledge resources, datasets, and other non-capital assets generated under the ANRF Impact Centres of Excellence (ACE) will be shared, wherever feasible and permissible, with the wider research community in accordance with institutional policies and ANRF guidelines.
3. We agree to participate in all monitoring, review, appraisal, or evaluation meetings organized by the Anusandhan National Research Foundation (ANRF) during the project tenure and, if required, after its completion, and to present the progress and outcomes of the program.
4. We undertake to obtain and submit all statutory and regulatory clearances, as required under Government of India norms, before initiating activities that demand such approvals.
5. We agree that any sensitive findings, strategic outcomes, or new knowledge emerging from this Program will not be disclosed to media or external agencies without prior approval of ANRF, wherever applicable.
6. All publications, reports, policy briefs, intellectual property, and other outputs arising from this program will duly acknowledge the support of the Anusandhan National Research Foundation (ANRF) under the ANRF Impact Centres of Excellence (ACE).
8. We agree to abide by all terms and conditions governing the ANRF Impact Centres of Excellence (ACE).
